AN INDEPENDENT NEWSPAPER IN PUBLIC SERVICE

British and Norwegian Troops Occupy Hills Over Nazi-Held Town

MAN FALLS TO DEATH UNDER COACH WHEEL

Christopher Johnson Instantly Killed On Stony Plain Road

Sudden death claimed Christopher Johnson, 32, of 1439 Stony Plain road, when he was run over by a bus operated by the City's street railway department in front of his home at 141 street and Stony Plain road at 3:35 p.m. Wednesday.

Police said that preliminary investigations convinced them that the driver of the bus, Hilbert Gordon, was in no way to blame for Johnson's death.

Johnson was the third person to die violently on Edmonton streets since the beginning of the year. His death was instant. According to witnesses, he seemed to stand and fall under the right rear wheel of the slowly moving bus.

GLOWED FOR STOP

Gordon told police "I was operating the bus east on 102 avenue, and when approaching the 141 street intersection I saw a man walking across the avenue towards the bus and when he reached the south edge of the pavement he stopped as if he wanted to get the bus to stop again.

I slowed up, and just before the bus came to a stop he gave me the signal to go ahead so I started up again.

But I had gone a few feet when I felt a bump under the front wheel. I thought my front wheel had run over a piece of wood by four and then one of the passengers called out to me that I had run over a man, stopped at once and went back and found the man lying on the south edge of the pavement."

John M. Matheson, 1915 97 street, said he was driving his car east immediately behind the bus. "He was the man signal to go on. When the bus had gone on as two past him he seemed to bend over and fall under the right rear wheel. The bus was moving very slowly," Matheson said.

WAS GARDENER

Johnson was born in Belmont, Ontario, came west about 25 years ago and married a farm at 141 street until 1935 years ago, when he was forced to leave his work through illness. He has lived in Edmonton ever since and his work had been confined chiefly to gardening.

His health has been very poor and police said he was reported to suffer from epileptic fits. It was suggested that he might have had a seizure as the bus passed.

Besides his wife, Johnson leaves six children, Maudeline, 21, Marion, 19, May, 16, Harold, 15, and E. and Philip, 5. The body was ordered removed to Andrews' funeral chapel in a Smith ambulance, driven by E. A. Braithwaite, chief police coroner.

POLICE INVESTIGATE

Inspectors Coleman and McDonald of the street railway department asked the driver immediately they were informed of the mishap and police investigations were conducted by Sergeant Major Alex Riddell, assisted by Constables Fennie Foster and A. Woodwards.

Sergeant Major Riddell said that Constable Jackson Brown, who is taller and singer, phoned him to report that her 11-year-old daughter had cried out a warning to Johnson to look out for the bus as it approached him and he had been killed and replied: "Oh, the bus won't hurt me."

Calm Blankets Western Front

PARIS, April 25.—Increased calm blanketed the western front today and last night. Bad weather hampered air operations and artillery fire was much weaker. German patrols attempted a few excursions in the region east of the Meuse river, causing French planes to be shot down. In the same district German detachments were repulsed with losses.

Fight Reported As Contact Made—Young Norwegian Civilians Rush To Join Attack At Important Railroad Point

By PETER C. RHODES

British United Press, Exclusive Cable to The Edmonton Bulletin.
FAJELNESS, Swedish-Norwegian frontier, April 25.—Allied troops were reported, in messages to the border today, to have reached the vicinity of Roeros and to have joined with Norwegians in a battle with German troops.

A German column moving northward from Oslo and Elverum previously had been reported in possession of Roeros, which is an important point on the railroad and highway leading toward Trondheim.

"A dispatch to the Stockholm newspaper Allehanda said a German motorized column occupied Roeros during the night. Later advice to the border said that Allied troops from Dombas had arrived in the vicinity of Roeros and occupied the hills overlooking the town.

HALT AT ROEROS

The Germans apparently halted at Roeros, while reinforcements were rushed northward along the railroad from Roma to bolster their advance north.

Later this afternoon a battle was reported, under the name of Roeros or near the town.

Many young Norwegian civilians were reported to have rushed from the frontier to Roeros, armed with whatever weapons they could get their hands on, to join in the fighting.

Wearry Norwegian soldiers who had been shown back to the Fajelness sector by the advancing German troops, were reported to be the volunteers with weapons or joined in the march to Roeros themselves.

Allies Withdraw From Lillehammer Positions

LONDON, April 25.—Reinforced German forces have forced the Allies to withdraw from positions they held near Lillehammer, gateway to eastern Norway to German-occupied Oslo, British authorities said today.

On the main front on the front-identified west coast, the war office said, the Germans appeared to be digging in north of Steinkjer, northeast of strategic Trondheim, in a full in fighting in which both sides were consolidating their positions.

The British troops in Norway were officially notified today that the British Expeditionary Force.

"The war office statement said: "There has been no further fighting in the area north of Trondheim where the enemy now appears to be digging in just north of Steinkjer."

The north increased enemy pressure has accelerated the withdrawal of the Allied forces. From the positions they previously held near Lillehammer," the statement said. "In the Narvik area there is nothing to report."

Compulsory Army Service Law Sued Passed In Sweden

STOCKHOLM, April 25.—Exchange Telegrams said today that the Swedish parliament last night passed a compulsory army service law, which would require all men aged 18 and over to serve in the army for 18 months.

PAKING PLANT SWEEPED BY ENORMOUS FIRE

One Section Of Building Falls Prey To Flames

General Alarm Sounded For Disastrous Blaze Early Thursday At Gainers Ltd.; 100 Firemen Fight Holocaust

Smoke was still rising Thursday morning from the ruins of Gainers Limited, South Side packing plant, after it had been struck during the night by one of the most disastrous and spectacular fires in the city's history.

Cause of the blaze was classified in mystery and damage was estimated unofficially to be in the neighborhood of \$300,000. The entire north half of the plant, comprising the engine room, and the frame structures with house of the smoked meat room, shipping room and the new section of the plant were completely destroyed by the flames which were first noticed about 12:17 a.m. Thursday.

Flames were leaping 50 feet through the roof of the two-story frame structure about the first firemen from No. 8 and No. 2 firebells arrived on the scene in response to the first alarm.

GENERAL ALARM
A second alarm, sounded at 12:44 a.m., brought firemen and equipment from No. 3 firebells to the scene and a general alarm at 12:50 a.m. brought out the entire fire department.

There were nearly 100 firemen on service at the blaze under the general direction of Fire Chief James Macgregor, and they unhesitatingly threw lines of hose as they moved toward the burning plant.

As the flames had reached such a point that the fire department was unable to contain them, the fire department was called in to assist in the fighting to keep the flames away from the portions of the plant to the north, but it drifted burning east.

GOVERNMENT HAS POWER TO FIX GASOLINE PRICE

Empowered by the Trade and Industry Act to fix prices on commodities in this province the government has announced today that it has the power to fix the price of gasoline on gasoline products. This power, combined with power to fix the price of oil, would enable the government to fix the price of gasoline on gasoline products. This power, combined with power to fix the price of oil, would enable the government to fix the price of gasoline on gasoline products.

While Mr. Macgregor was thanking the Newfoundlanders for their response to the "call for volunteer service in a noble cause," a shout came from the Canadian ranks: "What time do Blackberrys rovers kick off?"

The Dominion secretary said that the Newfoundland volunteers already in service with the navy, forestry and coast guard, and many of the latter were anxious to enlist as well but he hoped they would understand me when I ask them to carry on as important work as menial tasks.

Many of the Newfoundland forestry workers are engaged in cutting wood to be used as pil posts.

British Columbia Gasoline Dealers Told Cut Prices

VICTORIA, April 25.—Alberta General G. S. Wainwright today announced that effective tomorrow gasoline dealers in British Columbia must lower their prices in accordance with an order of the Provincial Coal and Petroleum Products Control Board last August.

The order will reduce the price of standard gasoline in Vancouver to 24 cents a gallon, and in other parts of the province to 23 cents a gallon. In recent months, however, prices of gasoline stations have been selling the fuel at 25 cents a gallon.

Premier King At Williamsburg, Va.

Williamsburg, Va., April 25.—Prime Minister Mackenzie King arrived at Virginia's restored colonial capital today for a few days with John D. Rockefeller Jr., chairman of the restoration.

A statement issued at Banquet Hall, Williamsburg, Va., today said that the visit would probably remain for two days after which he would go to Washington.

Rogers Speaks From London On CBC Network

TORONTO, April 25.—Defense Minister Rogers will speak from London tonight, by short wave transmission to the national radio and television network, the Canadian Broadcasting Corporation. He will be heard from 8:30 to 9 p.m. M.S.T.

Mr. Rogers' remarks will inaugurate a new C.B.C. weekly series of English broadcasts, a program in which commentators will speak on war-time conditions and developments in Britain.

FRANCE ADDS BIG SHIP TO ALLIED FLEET

35,000-Ton Richelieu Is Ready For Service Ahead Of Schedule

By RALPH HENZEN

British United Press Exclusive Cable

PARIS, April 25.—The announcement that France's new 35,000-ton battleship Richelieu is ready for service ahead of schedule is a new advance in the German and Italian navy.

The Richelieu has eight 14-inch guns and 15,000 tons of armour plate making it almost invulnerable.

Germany had three pocket battleships originally. The Admiral Graf Spee was sent to the Atlantic, the Admiral Scheer to the North Sea, and the Admiral Geyer to the Baltic.

France has three more of the Richelieu class battleships building. The Jean Bart, expected to be ready for service next year, and the Clemenceau and the Danton, expected to be ready about a year ahead of schedule. They will reinforce the five new 20,000-ton Richelieu class ships which the admiralty announced this week as ready for service.

U. S. NEUTRALITY IN NORWAY WAR IS PROCLAIMED

British United Press

WASH. D.C., April 25.—President Roosevelt, by executive proclamation today, declared the state of war exists between the United States and Germany and proclaimed the neutrality of the United States in the conflict.

The proclamation, issued at the Little White House, invoked the full force of American neutrality laws on Norway.

At the same time, Mr. Roosevelt by proclamation banned the export of either battle tanks or territorial weapons. One result of the proclamation is that the United States will be able to obtain war supplies in the United States only by paying cash and transporting them in non-American vessels.

Belgian Cabinet Headed By Premier Pierlot Resigns

BRUSSELS, April 25.—The Belgian cabinet headed by Premier Pierlot resigned today after the king had refused to accept the resignation of the cabinet.

The government's action came after the king had refused to accept the resignation of the cabinet.

It was concerned with a proposal to add Flemish and Walloon members to the cabinet.

One result of the proclamation is that the United States will be able to obtain war supplies in the United States only by paying cash and transporting them in non-American vessels.

Had Gas Pains and Upset Stomach for Years—Now Is Happy and Well Again

Mrs. F. Wheeler, of Blue Ridge, Alta., Tells How Mosby's Tonic Gave Her Splendid Relief and Says: "I Used to Suffer So Badly With Gassy Spells After Meals That I Hated The Sight of Food, But Now I Feel Fine and Endorse Mosby's Tonic Wholeheartedly."

Many Edmonton people have stomach gas as bad as they can keep sleep nights. They feel with gas as light their face like they can hardly breathe, especially when they try to go to bed. No one more and worse at all in a case, or with the four or five nights in fear of the gas being right at night and day, many such people have been given relief, and many from frequent bloatings, and sometimes after almost continually.

But now MOSBY'S TONIC is helping such men and women, and even children.

Over Edmond. It not only cures gas from the stomach and intestines, but also promotes the action of the digestive juices and aids digestion. All at the same time, it cleanses the system and brings new feelings of health in general.

This splendid Compound has been introduced to crowds of people here in Edmonton by a Special Mosby's Tonic Representative, known as THE MOSBY TONIC MAN, at the Army and Navy Dept. Store, and the same man, many well-known residents from all over this section are publicly praising and endorsing it. For full particulars, see a few days ago, Mr. F. Wheeler, of Blue Ridge, Alta. (near Edmonton), made the following statement:

Stomach Gas Spells Due To Poor, Slow Digestion

It is a fact that I have been suffering from stomach gas for many years. I have tried many remedies, but nothing has helped me. I have been told that I should try Mosby's Tonic. I have tried it, and it has helped me. I feel better now than I have for many years. I am happy and well again.

Now Describes Relief Mosby's Tonic Gave

I heard about Mosby's Tonic from a friend who had been using it for many years. I decided to try it. I have tried it, and it has helped me. I feel better now than I have for many years. I am happy and well again.

Heavy Cheating On Gas Tax Exemptions Claimed At Meeting

Southern Prairies Are Leading North In Moisture Supply

By CHARLES GUNNING
Canadian Press Staff Writer.

The law of averages appears to have caught up with the wheatlands of western Canada. The broad plains of the south and south-central prairies—long neglected by nature's moisture sources—threaten to supplant the northern districts as the west's leading rain recipients.

SACRIFICE OF LUXURIES IS NEED IN WAR

Canadians Must Use Ink Comes To Help, Bank Governor Says

WINDSOR, Ont., April 25.—Those who use the war as a means of increasing income at the expense of the good things of life may be purchasing have the wrong conception of Canadianism in the war, declared Graham F. Towers, governor of the Bank of Canada, when he made a speech here Wednesday at a luncheon given by the Windsor chamber of commerce.

"At first glance this seems to be a fine thing," he said, "it is possible that we can make a great war effort by the same time that individuals have more of the good things of life for the people as a whole the economy is definitely in the negative. Increased income must not, in general, be spent for the luxuries purposes if we are to avoid serious trouble. The state will be returned to the state in the form of taxation of subsidies for war loans."

CAN SOLVE PROBLEM—Mr. Towers said that if this situation is thoroughly understood it has no doubt as to Canada's ability to solve her wartime financial problem.

Canadians, given the right to exert individual initiative in the war effort, should regard and employ it as a privilege. Mr. Towers said in an earlier interview.

In the long run," he said, "citizens of this country will learn that it is in their best interest to limit to certain extent that which is more attractive. If they promise this restraint now, it will ease conditions of the war aftermath."

INDIVIDUAL SUPREMACY—Mr. Towers declared that in Canada the individual is still supreme. In Germany the individual means nothing and is told what he can spend.

Canadians are virtually free to buy what they want so long as they have the money, he said, while Germany is told what and how much they may buy.

CONSCRIPTION FORECAST FOR SOUTH RHODESIA

SALISBURY, Southern Rhodesia, April 25.—Introduction of "measures of conscription" alongside the system of voluntary service now in effect was announced yesterday in the speech from the throne read by the governor, Sir Herbert Stanley, at the opening of Southern Rhodesia's first parliament.

The speech said that the government appreciates the colony's front-line of defense must be in any part of the world indicated by the high command.

A new recruiting organization under civil control is being set up by the speech announced. The system of voluntary service will be maintained, but for greater efficiency, measures of conscription will be associated with it. There is no lack of volunteers but it is necessary for the government to decide in what capacity the men of the country could render the best service.

COVER EARTH—The speech also mentioned the need for the government to decide in what capacity the men of the country could render the best service.

Sherwin-Williams PAINT—The speech also mentioned the need for the government to decide in what capacity the men of the country could render the best service.

ENDS SATURDAY, APRIL 27—The speech also mentioned the need for the government to decide in what capacity the men of the country could render the best service.

Buy Now Save 20%—The speech also mentioned the need for the government to decide in what capacity the men of the country could render the best service.

NORTHERN HARDWARE—The speech also mentioned the need for the government to decide in what capacity the men of the country could render the best service.

PHONES 21012-21013 CO. LTD. 101 STREET EDMONTON—The speech also mentioned the need for the government to decide in what capacity the men of the country could render the best service.

CENSORSHIP IS IMPOSED BY HOLLAND

Dutch Military Is Given Sweeping Control Over All Publications

THE HAGUE, April 25.—The Dutch high command last night imposed censorship of the press to prevent distribution of information endangering the security of the state.

A decree giving the Dutch military sweeping control over publications of all types was issued last night by Lieut-General H. G. Winkelman, commander-in-chief of the Dutch land and sea forces, acting under powers given him by recent proclamation of nationwide martial law.

The decree will permit the authorities to suppress any publication at a moment's notice. Violations of the law will be severely punished by a fine in jail or a heavy fine.

The decree forbids any writing containing expressions of hate or scorn for a belligerent nation or its leaders.

Dutch authorities, meanwhile, continued to take action against Nazi elements. Three alleged Nazis were arrested at Rotterdam, in South Holland, Tuesday night, and were sent to Alphen. Other arrests, questionings and searches were reported from various points.

It was reported that German airplanes had again violated Belgian neutrality and that "defensive measures were put into action."

At Elpen, in the Belgian eastern border zone, it was reported that a large military garage at Louvain was destroyed by a fire said to be of incendiary origin.

Diplomatic Relations to Be Resumed by Yugoslavia, Russia in Near Future

COMMANDER OF MINESWEEPER IS AWARDED D.S.O.

BELEGRADE, Yugoslavia, April 25.—Yugoslav minister of foreign affairs yesterday said that the improvement of relations between Yugoslavia and Russia would be followed by resumption of diplomatic relations between the two countries.

There have been no such relations since the Russian revolution of 1917. The Zagreb newspaper Novosti said that the Russian revolutionaries were "brought through London."

Diplomats pointed to the resumption, in London, of negotiations for an Anglo-Soviet trade treaty. Novosti said that the Soviets told the British, when agreeing to take up trade relations with Yugoslavia, that the U.S.S.R. recognizes the status quo in the Balkans and has no intention of seeking to compromise the peninsula.

There was a report, moreover, that the preliminary work on the Soviet-Yugoslav trade negotiations was carried out secretly at Ankara through the Turkish government, which has a mutual assistance pact with the Allies.

Diplomats and newspaper specialists on the possibility Russia may soon switch to the Allied line of action in the Balkans, perhaps to block Italy-German plans for domination of the peninsula, which is not yet clear whether this is a complete turnaround or only a detour from the present line of cooperation with Germany.

Canada Troops Overseas Now Get Mail in Average Time of 14 Days En Route

OTTAWA, April 25.—Soldiers' mail travels English training camps from Canada from one to two weeks more quickly following an investigation ordered by the postmaster general, Hon. C. G. Power. It was reported today.

Letters from home for Canadian troops in the division, Canadian Active Service Force, at Aldershot, were being sent by Royal Canadian Air Force No. 110 army co-operation squadron in the south of England, in an average 14 days en route compared with 21 to 28 days under the old system.

Major F. J. Underwood, assistant director of army postal service, and P. W. Jolliffe, chief postal equipment, found many factors responsible for the delay. Mail coming from Canada were curtailed by the war and the sailing kept secret. Trains to England, in the cancelled and the railroads congested with troops and mail, were delayed. Mail coming from Canada were curtailed by the war and the sailing kept secret.

Under changes instituted, mail for the Canadian Active Service Force is going to Aldershot where facilities for sorting are limited.

Accelerated separation at the base and office here in the R.C.A.F. and C.A.S.F. the 2,000 or more bags of mail are rapidly handled at Canadian military headquarters in London where they are sorted and sent to the postmaster general's office.

Denmark Awaits Future With Full Realization of Troubles to Come

By ELMER W. PETERSON Associated Press Staff Writer

STOCKHOLM, April 25.—A brief 20-minute ferry ride brought me yesterday from German-occupied Denmark to a Sweden still neutral and determined to defend that precarious neutrality, come what may.

At Helsingør, the start of the ferry, the Danish coast guard was on duty. The Danish coast guard was on duty. The Danish coast guard was on duty.

The ferry is indicative of the manner in which the war has robbed Denmark of its peaceful place in the family of nations for normal travel is restricted.

DARK DAYS AHEAD—Quitting Denmark, I left a little country which, with the first shock of the Nazi occupation, even the British with an increasing realization of the danger in that area.

British air raids on airfields at Helsingør and the declaration of a state of emergency in that area gave the Danes evidence of how the war is coming to them, despite their German "protectors."

There is a growing fear in Denmark that events may bring the war even closer—that the Danes may become a battlefield in the conflict which the Nazis are spreading.

The story said further: "The pilot house, bridge and vital superstructure of the two vessels, whose names have been rubbed out, are being aimed against bombing attacks with steel plates 20 inches thick and five-eighths of an inch thick."

"Both ships have guns mounted on the decks. The British vessels outside the United States, have been officially permitted by the federal authorities to continue their operations in the waters of the United States."

ECONOMIC WORRIES—Their chief worry at present is economic. Food is still plentiful but shipping is at a standstill. Danish farmers, facing a shortage of fertilizer, are turning to the United States for help.

Unemployment is a steadily mounting problem. The rationing of food has created the fear that Denmark will be forced to the same level as Germany in regards to food supplies.

There are reports of the Germans in the Danish islands. The Danes are being asked to contribute anything being commandeered by the Germans.

DUTCH INDIES NOT TO MARTIAL LAW—Batavia, Java, April 25.—The Netherlands East Indies government told colonial legislators yesterday that it was no means now to proclaim martial law as had been invoked in the homeland but that a strict watch was being kept on the situation.

The government told legislators that the situation in the East Indies had demanded the removal of foreigners and the removal of the Dutch government from the East Indies.

At Samarang, important North Java center, a committee of "action against internal enemies" was organizing a volunteer corps to undergo military training. Similar units have been organized in other places.

Suicide Verdict—PRINCE ALBERT, Sask., April 25.—Frank Price, 18, old age pensioner, was sentenced to death by a court martial for the murder of a woman.

Price was found guilty of the murder of a woman. The court martial found Price guilty of the murder of a woman.

BRITISH SHIPS SAID ARMORED IN U.S. YARDS

Question Of Neutrality Is Raised By Action Says New York Paper

NEW YORK, April 25.—The New York Daily Mirror says today that British merchant ships are being fitted out with armor protection at the Hebburn, N.E. shipyard of the Bethlehem Steel Corporation.

The Mirror termed this a "clandestine" move involving United States neutrality.

The story said further: "The pilot house, bridge and vital superstructure of the two vessels, whose names have been rubbed out, are being aimed against bombing attacks with steel plates 20 inches thick and five-eighths of an inch thick."

"Both ships have guns mounted on the decks. The British vessels outside the United States, have been officially permitted by the federal authorities to continue their operations in the waters of the United States."

EXCHANGE BOARD HELPS WELCOME U. S. TRAVELLERS—OTTAWA, April 25.—Official recognition in the form of a play card is to be provided by the foreign exchange control board for merchants and others raising to tourists who are willing to accept United States money at the official rate.

This is in line with the government's suggestion, campaign to attract U.S. visitors to Canada this year and to make their stay here as pleasant and free from restrictions as possible.

Those who enter to the tourist trade and who are willing to handle U.S. currency at the official rate will be given a card bearing the Canadian rate of exchange and the words "Tourist, United States currency is accepted here at the official rate."

While Canadian going to the United States must pay about \$11 for every \$100 they spend in that country, American citizens in Canada find their \$100 is worth \$119 in Canadian dollars.

Flying Cadet, Army Instructor Killed In Plane Collision—DALLAS, Texas, April 25.—A flying cadet and a military instructor were killed yesterday and a third person was injured critically in a mid-air collision of two planes near Addison, south of Dallas.

The dead were T. J. Richards of Dallas, the instructor, and James Cline, Jr., of Belvidere, Pa. The cadet was killed.

The flying cadet, Solomon D. Moss, was reported near death in a Dallas hospital.

FIRE MAY BE DELIBERATELY SET IS BELIEF

Arrest Of Five Suspects Made As Fire Claims Total 198 Lives

SATCHEL, Miss., April 25.—The possibility that a dance hall fire, which claimed the lives of 198 negroes, was deliberately set developed last night with arrest of five suspects.

Police chief Hyde Jenkins said the arrests were based on statements made by several negroes who were overheard threatening to set the building on fire.

Earlier Sheriff Hyde Jenkins said all indications pointed to accidental start of the blaze.

The flames swept through the Southern Hotel Wednesday at a terrific speed, set on large quantities of men dropped over railers as a firestorm. Mayor William J. Berry opened an inquiry into the tragedy, fearing the building "the worst fire trap imaginable."

Dr. Andrew Hedberg, Adams county health officer, said an official count last night showed 198 dead. The fatalities had been reported as high as 533 last night, but the larger number came from the confusion arising from "swapping" of bodies among undertakers.

Two more or more suffered fractures and several additional deaths were expected to result.

All About Babies

By RICHARD ARTHUR BOLT
M.D., DR. P. H.
Secretary, Maternal and Child Health
Section, Canadian Public
Health Association

Another enemy of childhood is gradually being conquered. Pneumonia of different types have been for a long time leading causes of death among children. The pneumonia which is caused primarily by several types of pneumococcal organisms or it may be secondary to a number of other infectious diseases such as measles, whooping cough or influenza.

It is evident that if we can prevent a number of the infectious diseases likely to be complicated by pneumonia we will be reducing the number of pneumococcal deaths. This has actually occurred.

With the primary pneumonia we have had to wait until some more specific means were discovered to control the disease. Until recently we depended upon "expectant treatment," good medical care and routine nursing. Under the best conditions death rates from primary pneumonia were not as high as among adults. In the secondary pneumonia the mortality among children was about twice as high as among primary cases.

Research and experimentation have opened the door to a brighter day in the treatment of the pneumonia. Specific serum treatment was the first key to more successful treatment.

There are many types of pneumococcal organisms. Some types yield more readily to the serum treatment than others. If the pneumonia germs are accurately typed and a serum of the type against that type is used sufficiently early and in adequate amounts, we may expect the death rate to be reduced. Unfortunately not all types of pneumonia respond favorably to this treatment.

Many so-called "pneumonia cures" have been tried and found wanting until the newer remedies came into use. The most recent forward step in treatment came as the result of experimenting with a new drug called sulfa.

Laboratory workers abroad and in the United States in 1938 and 1939 used this chemical on mice infected with pneumonia germs and found many of the mice were saved. Similar treatment was applied to human beings and it worked.

Sulfa-granules is toxic and must be used with caution. It may cause unpleasant symptoms and its action should be carefully watched. For this reason cases of pneumonia should be treated in the hospital so that any unfavorable symptoms can be checked and steps taken to relieve the treatment. The general use of oxygen in the treatment of pneumonia has undoubtedly helped in controlling the disease.

Today's Popular Design

By CAROL AINES

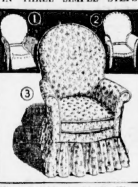

DESIGN NO. 412

Mauve and purple lilies on yellow lines make us think of garden flowers and leaves. White or colored lines as you prefer. The pattern includes complete transfer for the cloth and four napkins, together with detailed stitch chart and color guide.

To order this pattern, write your name and address on a piece of paper and send with 15 cents in coin to Needlework Department, The Edmonton Bulletin, Edmonton, Alberta.

Home Service What To Do

MARK SMART SLIP COVERS IN THREE SIMPLE STEPS

Work Quickly the Pin-On Way

Such a stunning slip cover—your day is it was cut—made! Actually you can stitch up covers like this yourself, make them in your favorite fabric to fit any style chair or sofa.

The slip cover shown here is of cream chester with a tiny all-over flower design. It will look delightfully fresh for summer—and smart, too, with its trim bound seams and deep ruffled flounce.

To make your cover, work the professional pin-on way in three steps:

1—Pin and cut. Smooth fabric over inside back and down seat, right side out, for bound seams. Pin where seams will be and cut allowing 1 1/2 inches for seams. In the same way, fit arms, sides and back.

2—Baste and try on. Take off foundation cover and baste. Then try on for a careful fitting.

3—Stitch and finish. Trim seams neatly and stitch on binding. The gathered flounce you cut last—and there you are!

Get complete details for making slip covers the pin-on way from our 24-page booklet. Give step-by-step directions and diagrams for estimating material, cutting, fitting, finishing. Suggests fabrics, colors, trimmings, smart styles for sofas, chairs. Send 15c in coin for your copy of "How to Make Slip Covers" to The Edmonton Bulletin, Home Service, Edmonton, Alberta. Be sure to write plainly your name, address, and the name of booklet.

Please allow a week or ten days for delivery.

Minute Make-Ups

Tomorrow's Menu

BREAKFAST: Green-fleck turkey, scrambled eggs, toast, coffee.

LUNCHEON: Tuna and oyster salad in lettuce cups, buttered toast, coconut drops, tea, milk.

DINNER: Pot. fillet of haddock, parsley, potatoes, broiled tomatoes, macaroni sauce, fruit novelty pudding, coffee, milk.

One of the girls in our club is going to be married this Spring. She is moving into a new home and the members of the club thought it would be a good idea of showing to give her brides and shrive for her garden. What do you think of this idea? Thank you, PUZZLED.

Aueren—It's a grand idea! How like each girl giving a flowering "kiss" to her? An assortment of plants and weeping bushes and a flowering quince tree or red dogwood. You might have the affair in a casual picnic and suggest to the bride that you all go by way of her home. She could arrange to pick up in one car, the bride, who will know nothing of the garden tools, young bushes and trees and lunch tucked away in another car. When you arrive at the new home of the brides and the picnic in the new little Friendship garden, if the day is warm enough.

A superstitious photo-electric cell, used in connection with infrared light, seen will be tested. The device is reported to enable pilot to see through fog.

Dried Fruits Rich In Nutrition, Economical

By MRS. GAYNOR MADDOX
Dried fruits are often more economical than fresh fruit. Yet they are rich in food value and can be served deliciously. For the women who want a dessert that is economical, well packed with nutrition, the answer is found in a portable, easy-to-serve fruit novelty pudding.

FRUIT NOVELTY PUDDING (Serves six)
Two cups cooked prunes, 4 slices small white bread cubes (approximately 4 slices), 1 cup shredded coconut, 1 tablespoon melted milk (dry), 1 teaspoon cinnamon, 1 cup granulated sugar, 1 cup chopped nut meats, whipped cream or soft custard.

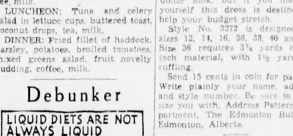

Put the prunes and cut into very small pieces. Combine with bread cubes, coconut, melted milk, apricot sugar and stir until well blended. Form into a ball about 10 inches long and 5 inches thick. Roll in chopped nuts. Wrap in wax paper and chill thoroughly. Cut into medium-thin slices with a sharp knife. Serve with whipped cream or soft custard. May be kept for several days.

To give fresh fruit, either sliced or stewed, a more festive wide serve these delicate cookies, too.

COCONUT DROPS (About 3 dozen medium cookies)
One-third cup butter, 1 cup sugar, 1 egg, 1 egg white, 1/2 cup flour, 1/2 cup coconut, 1/2 cup milk, 1/2 cup shredded coconut.

Cream butter until light. Add sugar and continue creaming. Add egg white and fluffy. Beat in egg, egg yolk and vanilla. Stir in flour, baking powder and salt; add alternately with milk to batter mixture, beating well between each addition. Mix in coconut and drop from spoon onto a well-greased baking sheet. Bake in moderate oven (375 degrees F.) for about 15 minutes or until a golden color. Remove immediately with a spatula and cool before serving.

Debunker
LIQUID DIETS ARE NOT ALWAYS LIQUID

Many of the diets which we call "liquid diets" for sick people are actually as solid as any other food. One of the common liquid "liquid diets" is milk. This is liquid but as long as it stays outside the body. When it reaches the stomach, it is changed into a solid curd, like that of ordinary cow's milk. It is digested in the same way as a solid egg.

B. C. Relief Rolls
Down 21 Per Cent
VICTORIA, April 25.—British Columbia relief rolls last month were 21 per cent lower than in March, 1939, figures released by the provincial relief department yesterday, and most of them on relief were past middle age.

Write plainly your name, address and style number. Be sure to state you wish Address Pattern Department, The Edmonton Bulletin, Edmonton, Alberta.

Dorothy Dix Says:

Dear Miss Dix—We are four small-town girl friends, who come from good families who are very well off. Our parents have always indulged us in everything that we desired. We are modern girls, ranging from 18 to 21 years of age. We desire to dress smart, get and make whoopee. Our parents do not want to approve of our conduct, but we continue to carry on as we please. Now one of our number, while drunk, has got into trouble. The man in the case is married and has two children. What must we do? Tell our families, or face the facts?

FOUR GIRLS

Answer: In case like that, you have no choice about facing the facts. They will face you, and as long as the poor, silly girl lives who thought that she could float the laws of God and man and get away with it, there will hang over her the shadow of the disgrace that she has brought upon herself and her family. Of course, the girl should tell her parents at once and at least give them a chance to do what little there can be to help her through her ordeal.

And what about you three other girls who think you are being "drunk" when you get and get drunk, though hardly has been called the official profession in the world for women? Does your friend's tragic fate carry no warning to you? Does it teach you no lesson? Does it make you try to figure out whether it pays a girl to be wild, and whether a girl's life is worth years of repentance? Does it wake you up to your folly and make you face about and try to climb back on the straight and narrow road that you have left?

And does it make you realize that even you and your friends who are black ingratitude who are regarding your parents for all their goodness?

Think these things over before it is too late. And don't believe you are thinking that if, like your friend, you go wrong you will not

have to pay the penalty. None of us are alone. When we go down the path we get we drag down with us all those who loved us and we force the innocent to suffer with the guilty.

DOROTHY DIX.

"I know the way to feel refreshed"

Millions of times a day, people the world over enjoy a happy minute with ice-cold "Coca-Cola." They like its clean taste and the after-sense of refreshment that follows.

Thus the pause that refreshes with ice-cold "Coca-Cola" is Canada's favourite moment.

MODEL PLANES SHOW SKILL OF BOY BUILDERS

145 Miniature Aircraft Ex- hibited In Memorial Hall Display

Proudly, products of model aircraft builders' skill were on display at the Memorial Hall Wednesday when the third annual exhibition of the miniature planes was held under the joint sponsorship of the Canadian Legion and the Edmonton Model Aircraft League.

The exhibition, which was one of the highlights of the day, was held at the airport, May 24 and 25.

145 MODELS

The 145 models on display represented hundreds of hours of patient labor on the part of nearly 75 boys, whose accomplishments made the show a success. They ranged in size from those that had wingspans of only one inch to a 10-foot model of a biplane.

Highlights of the exhibition of course was the display of scale models entered in the scale model competition. These included a number of models of biplanes, fighters, bombers, and other types of aircraft.

First prize in the senior class was won by Jim Pharesy, 1319 106 street, who built a model of a biplane. Second prize was won by Doug Ireland, 1022 122 street, and Jim Rice, 1164 38 street, respectively. Second prize in the junior class went to Larry Petch, 424 14th street, and to Marshall Apartments, and Frank Goss, 1005 19 street.

Pacing Plant

The city's racing plant will open operations next week, it was announced by the city engineer's department Thursday. A number of racing pits will be taken in hand first, and then will include repair work on McDonald Hall and a pavement subgrade on 102 avenue and 101 street.

At Model Aircraft Show

Highlight of the model aircraft show held in the Memorial Hall Wednesday was a huge model of a biplane, built by a young boy, who was accompanied by his father, who was a member of the Edmonton Model Aircraft League. The biplane was built by a young boy, who was accompanied by his father, who was a member of the Edmonton Model Aircraft League.

Boys, Girls' Fair Entries To Close Here On Saturday

Closing date for entries to the Edmonton and District Boys' and Girls' Fair has been extended to Saturday, April 27, according to an announcement made by the fair executive. The fair will open in the Edmonton Y. M. C. A. and Y. W. C. A. buildings May 1.

Heavy rains and snow since last Saturday have brought about a decline in the number of entries both from the city and from country districts. Directors will begin the erection of booths and stalls in the Y. M. C. A. building Saturday evening in preparation for the fair. Construction activity will be carried out under the direction of William Ross, motion picture manager, and his assistant, Robert Purvis.

Y.M.C.A. GIVES WIDE SERVICE FOR SOLDIERS

Report Of Overseas Activities Shows 157,987 Participants

Reports on the past three months' work of the Canadian Y.M.C.A. with Canadian soldiers in England reveal the wide scope of the service given, and show how much it is appreciated by the men. These reports have just been presented in English to the House of Commons.

The report, which was presented by the House of Commons, shows that the Y.M.C.A. has given a wide range of services to Canadian soldiers in England. These services include the provision of food, clothing, and other necessities, as well as the provision of recreational facilities and other services.

The report also shows that the Y.M.C.A. has been successful in its efforts to provide a wide range of services to Canadian soldiers in England. This success is due to the cooperation of the Canadian government and the Y.M.C.A. in providing the necessary resources and facilities.

BUILDING ACT UNDER REVIEW BY NEW BOARD

Provisions of the provincial Building Associations Act passed at the last session of the legislature were under discussion at the legislative buildings Wednesday when the newly-appointed board administering the act met with representatives of the building industry.

Under the chairmanship of W. D. King, deputy minister of trade and industry, the board, which consists of J. F. Percival, provincial treasurer, W. S. Gray, K.C., solicitor to the attorney-general's department, and W. D. Gray, provincial buildings supervisor, met to discuss the provisions of the act.

Looking Them Over

By Jack Kelly

Mass Appeal

Major Assets

Here And There

A youth training program possible to one of the first investments that either government has made in many years, if healthy, vigorous and self-reliant citizens mean anything.

While the government defray a major part of the cost of this training, it is not a hand-out type of depression countermeasure. It is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program.

The joint assistance that the Dominion and province extend to make this youth training program possible to one of the first investments that either government has made in many years, if healthy, vigorous and self-reliant citizens mean anything.

While the government defray a major part of the cost of this training, it is not a hand-out type of depression countermeasure. It is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program.

While mass gatherings are part of the show-up of statistics, this youth training program is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program.

It seems at first glance that this movement is needlessly overlapping the work done by schools and the Y. M. C. A. or Y. W. C. A. This is far from the case. Neither the schools nor Y's can begin to supply the facilities needed at a cost which is within the means of thousands of young people. Neither will sports such as baseball, tennis or golf build up bodies, vitality and spirits like proper physical training will.

The program was evolved to offset the degrading effect of the depression, particularly for the youth. It is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program. The youth training program is a youth training program, not a relief program.

Gradettes Rally Back Into Hoop Playoff Picture With 42-31 Margin

VANCOUVER, April 25.—Edmonton Gradettes moved back into the fight for the Canadian women's senior "B" basketball championship when they defeated Vancouver Westerns 42-31 here last night in the third game of the best of five series. Westerns won the first two games.

Fourth game will be played here tonight and the fifth, if necessary, Saturday night.

The Alberta, with three wins in the series, will lead the team back to the playoffs if they win tonight.

Blue Devils Sweep Series: Win by 7-1

By Dick Sheridan

TORONTO, April 25.—The Allan cup went north last night to Kirkland Lake when the Blue Devils swamped Calgary Stampede 7-1 to complete their sweep of finals for the Canadian senior hockey championship. It was the third straight victory for the flashy Miners who lost only one game on a 1-0 decision to Sydney Millionaires—during the month long play-downs.

In taking the historic trophy that went to Port Arthur Bear Cats last year, the flashy Blue Devils brought back memories of those other great northern Ontario teams—Sault Ste. Marie Greyhounds and Sudbury Wolves—cup winners in 1924 and 1937, respectively. Blue Devils beat the husky Stampede 8-5 and 9-1 in the first two games to register one of the easiest triumphs ever recorded in Allan cup history.

Coach Marty Burke of Calgary made his gamble in an effort to prolong the series when he pulled his regular goalie, Art Rice Jones in favor of Jim McNamara, former Regina boy. McNamara stood up manfully under the Blue Devils' bombardment and was in measure to blow it the rout.

Other Calgary players made their series debut. Mike Patrick, center, and John Thibault, forward, and Allan McFadden being pressed into service to help out the attack line. Patrick, suffering from an infected throat for the first two games, got the Stampede's only goal to avert a shutout.

For two of the Kirkland players, Johnny McCreedy and Dick Kowalski, it was the second Allan cup victory in three years. Both played for Port Arthur when the club won the trophy in 1936. Dave Smith, Calgary center, was also a member of the Stampede team that year, centering McCreedy and Kowalski.

McCreedy, a three goal scorer in the second game, picked off the first three shots last night to lead the marksmen. Jack Grabowski, forward, scored twice. Dave Smith each shot a goal to complete the Kirkland Lake lead.

McCreedy, a three goal scorer in the second game, picked off the first three shots last night to lead the marksmen. Jack Grabowski, forward, scored twice. Dave Smith each shot a goal to complete the Kirkland Lake lead.

BOXLA PLANS FOR COMING SEASON MADE

The Edmonton League Association made much progress in laying plans for the coming season. The plan which is expected to open up as soon as weather conditions allow.

A strong slate of officials was chosen with A. W. Hadow named honorary president. Dr. A. W. MacBeth president. Barney Stanley, vice-president, and George Harris secretary-treasurer. A council will consist of one member from each club in the association.

Further business on the program and the possibility of having a central playing field. It is expected that this field will probably be a 15th street rink for all junior and juvenile teams.

There is also a strong possibility that the junior ice for this year will be raised to under 1500 graduates, they another year in the junior circuit.

Many other items of interest were talked over by the large attendance, and another successful ice-race year is assured.

MARKI AVERTS MARKI NEW ORLEANS, April 25.—Tolson, N.Y. of Poland set a record for the three-mile run here Sunday, and broke it on April 25.

His time of 14 minutes, 10 seconds beat the mark of 14:26 made in 1913 by his countryman, Thomas Hannes Schjerve.

Player's "MILD"—the cigarettes with the "wetproof" paper which does not stick to the lips.

Youth Training Program Stages Spectacular Final

In the above shots taken at the Arena last night, the Edmonton Bulletin cameramen caught some of the highlights and spirit of the mass display of gymnastics and physical training that was staged by Edmonton and entitled Alberta groups of young men and women who have been working throughout the winter in the Dominion-Provincial Youth Training Program. This demonstration winds up the season. The upper strip above the girls building pyramids. Lower left a couple of girls are doing a push and pull exercise that plays havoc with fat in the wing plates. Lower right shows a couple in a coat and hat race in which they must change these legs on a dead run. It was real fun for all.

Three Captured German Officers Land In Scotland

LONDON, April 25.—Three German officers captured during the Norwegian campaign have been landed in Scotland last night. The officers, who were captured by British forces, were taken to a camp in Scotland. They were identified as Major Hans, Captain Schmidt, and Lieutenant Müller. They were taken to a camp in Scotland last night.

Election Continued

EDMONTON, April 25.—The election of the Edmonton City Council continued last night. The election was held at the Edmonton Convention Centre. The candidates were: Mayor, Mr. J. H. ...; Councillors, Mr. A. B. ... and Mr. C. D. ... The election was held at the Edmonton Convention Centre last night.

Lee Continues Jinx On Pirates

PITTSBURGH, April 25.—Big Bill Lee, who beat Pittsburgh in five out of six games last year, picked up where he left off and scored Chicago to a 9-4 victory in the first game of the National League baseball season. Lee continued his jinx on the Pirates, scoring four runs, three hits, and two RBIs.

N.Y. Giants Come Through With Rally

PHILADELPHIA, April 25.—New York Giants pulled a comeback out of the bag to beat the Phillies 5-2 and climb into the National League lead. The Giants scored three runs in the ninth inning to win the game. The Giants scored three runs in the ninth inning to win the game.

Brooklyn Batters Drum Up 8-6 Win

BROOKLYN, N. Y., April 25.—The Dodgers scrambled to win an 8-6 triumph Wednesday over Boston Bees in a wild National Baseball League game before 10,480 fans. The Dodgers scored eight runs, three hits, and two RBIs. The Bees scored six runs, three hits, and two RBIs.

American League

ST. LOUIS, April 25.—Cleveland took advantage of every scoring opportunity to beat the St. Louis Browns 10-1. The Browns scored one run, one hit, and one RBI. Cleveland scored ten runs, five hits, and three RBIs.

Yanks Demonstrate Home Run Power

NEW YORK, April 25.—The Yankees demonstrated their home run prowess by beating the Philadelphia Athletics 10-1. The Athletics scored one run, one hit, and one RBI. The Yankees scored ten runs, five hits, and three RBIs.

Whiskey Prices Will Be Raised

EDMONTON, April 25.—The Scotch Whisky Association decided at a meeting yesterday to increase the price of whisky 25 shillings (about \$4.85) per case of 12 bottles. The association followed the announcement of higher taxes on liquor in the new budget.

"A bottle of good port (and unless port is good I don't want to) used to be, of necessity, a rare treat. Then a connoisseur introduced me to EMU. I tried it—enjoyed its fine aroma, its full, rich flavour and rounded body. From now on, I'm sticking to EMU... and I can have it often, too."

Made from the finest sun-ripened grapes of South Australia's famous vineyards, EMU enjoys every advantage of the low Empire tariff.

EDMONTON BULLETIN—ALBERTA'S OLDEST NEWSPAPER—THURSDAY, APRIL 25, 1940

Physical Fitness Show Impressive Spectacle

EDMONTON was treated to its first display of mass gymnastics and physical drills at the Arena on Wednesday evening when groups of the Dominion-Provincial Youth Training Project staged a grand finale to their winter season of work. Groups taking part represented the city and a number of surrounding towns.

With the girls all dressed in green gym outfits and the boys striped down to trunks, the display for physical fitness and buoyant vitality was striking and impressive. The boys and girls operated as separate units except for the games and flag dancing. They were dressed in the green and white uniforms of the youth training project.

FINE ATTENDANCE
Somewhere around 1,000 spectators turned out and contributed cheering applause for all of the smartly presented numbers. Following an opening singing the display got underway with the girls demonstrating fundamental gymnastics under the direction of Mildred Surratt. This was one of the most striking numbers on the entire program.

Exercises for boys and beach drills were shown by the boys under the leadership of Roy Stauffer and the girls under the leadership of Mildred Surratt.

The girls then performed a series of tumbling, pyramid building and flag dancing. The boys followed with a series of tumbling, pyramid building and flag dancing.

The girls then performed a series of tumbling, pyramid building and flag dancing. The boys followed with a series of tumbling, pyramid building and flag dancing.

**COMMUNITY ART
LECTURE TOPIC
HERE ON MAY 1**

The lecture will be sponsored by the extension department of the

University of Alberta, Donald Cameron, extension director, announced Thursday. President W. A. R. Kerr will be chairman.

One time principal of the Nova Scotia College of Art, Mr. Lismore also has been vice-principal of the Ontario College of Art and extension lecturer in art for the University of Toronto.

From 1927-39 he was educational supervisor of the art gallery of

He has lectured in many countries, including South Africa, Australia and New Zealand. In 1936-37, at the invitation of the government, Mr. Lismore spent a year in

South Africa lecturing and organizing courses in schools and the establishment of art centres, and in the protectorates, in surveys and experiments in native education.

 **ALBERTA
MOTOR
ASSOCIATION**

ROAD REPORTS

Safety Slogan: Learn and obey the traffic regulations. They were carefully formulated for your safety.

Thursday's road report: Edmonton to Lloydminster is passable by way of the park road. Roads to Chauvin, Provost, Coronation and Calgary are all passable. Lamont is very bad. Seba, Wildwood, Morinville, St. Paul and Cherry Hill all impassable. The Peace River road is fair, but there is no crossing at Smith.

Panel:
